**RE: PRA 23-015**

Dear Bryan Tor:

This letter is a follow up response to our letter dated April 25, 2023 and to your request received on March 3, 2023, under the California Public Records Act (Government Code § 7920.000 *et seq.*) requesting the following:

*"Any emails, text messages, reports, memos, or any other written or digital communications sent or received by any employee of your agency between January, 2020 and the date on which this request is processed which include or reference any or all of the following phrases: "Proud Boy," "Proud Boys," "The Three Percenters," "Three Percenters," "Stop the Steal," "StopTheSteal.us," "QAnon," "Boogaloo," "Thin Blue Line," "Blue Lives Matter," and/or "caravan."*

The City of San Ramon Police Department does not have any further responsive records, at this time.

The City remains committed to getting you all of the records to which you are entitled. Please note that we are seeking to produce all responsive records as promptly as possible and have produced all records in our current possession, however there are two employees out on extended leave with an unknown return date and are unable to search their records at this time. Therefore, the City will provide an update within 30 days.

If you have questions about this matter, please contact me. Otherwise, I or another City representative will contact you within two weeks, as specified above.

Sincerely,

*Valerie Powell*  
Records Coordinator
