Subject: Email for library employees regarding vaccine eligibility

Dear Librarian,

As of March 22nd, the State of Illinois has expanded eligibility for COVID-19 vaccinations to government workers in which we are also considering library staff under this category. Madison County Health Department currently has 1st dose appointments available for March 27th, 28th, 29th, 30th, and April 1st. Please see the attached graphics for more details. Be sure to bring your work ID or a paycheck stub with you to your appointment as well as your state ID. All vaccinations are by appointment only which can be made through the following appointment links:

Additional appointments will be available in the future and links to them will be posted on our website at www.madisonchd.org, our COVID-19 Response Hub <https://coronavirus-response-madcoil.hub.arcgis.com>, and our social media channels.

Please share this information with your library staff and other libraries that may not have received this email.

Sincerely,

Amy J. Yeager
