NEWSBANK SPECIAL REPORTS August 2020

NewsBank's **Special Reports** are news articles, images, maps and other useful content grouped for convenience under specific topics and themes. They enable users to quickly locate information while helping them gain better insight into current global issues and events.

Following is a listing of ones that may be of particular interest at this time.

August Topics

- World Health - Coronavirus
- Issues in the News - Police and Community Relations
- Education Around the World
- World Environment - National Water Quality Month
- World Economics

Additional featured Reports covering current issues and events

- Mental Health
- Space Exploration
- World Politics and Government
- U.S. Presidential Campaign - 2020
- Natural Disasters
- Science and Health in the News

Each Special Report features current and retrospective coverage with new articles added daily. They constitute a unique value to your users and are included with your NewsBank subscription. There are over 60 Reports to be sure the information you need is always available.

Special Reports are easily accessible from the left side bar on your online resource menu page, on search screens and the Other NewsBank Products link in full-text newspaper products.

Please view and share this video with others. It shows you how to find Special Reports, what they are and how they can be used.

As always, we welcome suggestions for new topics of interest to you and your users for additional Special Reports, as well as the names of other people that should receive these message each month.

Sincerely,

Phyllis Comrie
Vice President, Analytical Marketing
