NewsBank's **Special Reports** are news articles, images, maps and other useful content grouped for convenience under specific topics and themes. They enable users to quickly locate information while helping them gain better insight into current global issues and events.

Following is a listing of ones that may be of particular interest at this time.

September Topics
World Health - Coronavirus
9/11 Anniversary
National Hispanic Heritage Month (9/15 - 10/15)
Constitution Day - 9/17
Mental Health - World Alzheimer's Day - 9/21
Issues in the News - Police and Community Relations
Education Around the World

Additional featured Reports covering current issues and events
World Economics
World Politics and Government
U.S. Presidential Campaign - 2020
World Environment
Science and Health in the News

Each Special Report features current and retrospective coverage with new articles added daily. They constitute a unique value to your users and are included with your NewsBank subscription. There are over 60 Reports to be sure the information you need is always available.

Special Reports are easily accessible from the left side bar on your online resource menu page, on search screens and the Other NewsBank Products link in full-text newspaper products.

Please view and share this video with others. It shows you how to find Special Reports, what they are and how they can be used.
