Hello,

Friday September 17 is our all day staff training from 9-6. We will be meeting in the youth services department so we can spread out a bit more. Masks will be required during the training. Please be here and ready to go at 9 am. It will be a full day of training! Our speaker, Katie, is a trainer for [Mental Health First Aid](#). The training is designed to help us identify mental health crises and develop strategies to help people.

We will have an hour lunch break which is on your own. You are welcome to bring lunch or go out. Light refreshments will be provided throughout the day.

If you have any questions, please let me or Tina know. It will be nice to see everyone in one place outside of Zoom!

Thanks,

Betsy
