

## Worker self-monitoring at home form

To: staff <staff@smrld.org>

This morning when I printed the original form sent to staff to fill it in for myself, I found that form didn't print properly. I made some adjustments so that you can print it for your own use. You need to fill in the form each day you are scheduled to work *before* you come to work.

Make sure your print set-up is for landscape printing. Use this form attached instead of the form originally sent.

Should you not have printing capabilities at home, a stack of forms will be available at the staff entrance at Delmar Avenue and the staff workroom at Johnson Road for your use. Regardless of if you have the form at home or not, you are required to check your symptoms before coming to work.

Thank you,  
Tina
