Happy Friday everyone!!!

I am not sure if you are aware yet, but next week voting opens for the Illinois APCO Executive Board positions up for election this year. Myself and Brian Drake have both submitted resumes to be re-elected to our current role as Directors. I know that I speak for us both when I say we are committed to making sure that Illinois APCO is doing it's best to bring value to our membership and also to advance the 911 community as a whole.

I am not going to tie up a whole lot of your time with a lengthy email because I feel that the contributions we have both made speak for themselves. It has been great over the past couple of years getting to know all of you better and to also lead the way in connecting you all with each other so that you don't feel like you are drifting alone in this crazy field we work in.

So here it is; we need your vote to keep doing the good work we started.

If you can't vote, find someone who can and make sure they vote for who they believe to be the best candidate. The upcoming two years are going to be very important for 911 in Illinois and you should know who it is that represents you and what they stand for.

Cheers,

Bud Hicks
