

Fountas & Pinnell Classroom Book List, Kindergarten

The following is a complete list of books, alphabetized by title, in the kindergarten collections of *Fountas & Pinnell Classroom*.

Cautions and recommendations: A level is a teacher's tool, but should not be used as a label for students. A book's level of difficulty is a resource for you; use the levels identified below for independent reading and book club titles to help guide student choice. Fountas and Pinnell do not advocate labeling the classroom library.
