[REDACTED]

Due to FERPA laws parent's can't get other student's discipline information.

Kim Radek

Subject: Question

[External Email]

How does one learn what discipline was used for other students that were involved with my child? Is that something private and only shared with their family? Do I need to request more documents or just contact someone out of district for further guidance? Again never dealing with any sort of discipline issue before, I am seeking guidance wherever possible right now. Thank you for your time.
