Hi Dara,

Thank you for this opportunity. I keep notes in my online calendar some days (though I don't manage that for all).

I made a note that I excused [REDACTED] on 10/7 for both 10/7 and 10/4, so I'm not sure what happened for that. Please excuse.

I see I excused him for a cold for two days but not all. Please excuse 10/30, 10/31 and 11/1.

There's a few we don't feel comfortable excusing and a few I simply can't remember the circumstances.

Thank you,

Hello [REDACTED]

Following please find a list of [REDACTED] attendance record. Any dates with at U-Tr indicate days he wasn't at school and they weren't excused at the time. Can you please review the dates and see if any are excusable? If so, note which ones are and I will update [REDACTED] attendance.

Students are responsible to make up days missed. It will be helpful for [REDACTED] to be able to know exactly how much time may be owed once you review the record.

Thank you. Please call or email with any questions.

Take care,

Dara
