State Protected Information (RCW 70.02.300):

This information has been disclosed to you from records whose confidentiality may be protected by state law. State law prohibits you from making any further disclosure of it without the specific written authorization of the person to whom it pertains, or as otherwise permitted by state law. A general authorization for the release of this protected information is NOT sufficient for this purpose.

Medical Record statement:

Please be advised that you have been provided a copy of records that were requested and authorized as of the date of the authorization. These records were generated from the Legal Health Record which in some instances involves a hybrid record which may contain some paper as well as data and medical information and treatment records from multiple Electronic health record systems. With the electronic health information being created and generated in real time by multiple users we do our best to ensure the record provided to you contains all the documentation entered by the clinicians involved in the patient's care. If you should feel that you did not receive a complete set of the information requested please feel free to reach out to the Health Information Department, or CIOX customer service department so that they may review and address your concerns immediately.
