Hi Elizabeth, this is Brehanna – we met at the IEP meeting and I will be [REDACTED] teacher. I just wanted to make sure you know there are a couple pages in the electronic packet Cheri sent that our secretary takes out for preschool parents—you will not need to complete the attendance form, the transportation form, or the consent to release educational records form. The attendance doesn't apply to preschoolers, we have separate forms for special transportation for our kiddos, and the release of records form is just for students transferring in from another school district.

Also, I am sending out a welcome to preschool letter today, but while I'm at it I'll let you know that we have our Open House scheduled for Monday the 9th from 9:30-10:30; I hope you can make it
