Hi [REDACTED]

I need the signature pages I sent to you for [REDACTED] Evaluation and IEP for the meeting we went over with you by phone. Did you receive those by mail? I never received them back. If you have signed them and mailed them back to me please let me know the date you mailed them. If not and you still have them could you please sign and date them the date of his meeting 5/30/19 and drop them off at the Snohomish School District offices, 1601 Ave. D, Snohomish 98290. It is located right behind the Fire Station near the roundabout at the intersections of Ave. D and Bickford.

If you did not receive them please let me know and I will schedule a time to meet you to have the paperwork signed by Thursday.

Thanks,
