Subject: Transportation

Hi Andrea,

Attached is a new transportation request for [REDACTED], coming to my afternoon. Mom had thought she filled it out, but it was just the Gen Ed bussing form that was in the registration packet. If it's a problem that the parent didn't sign at the bottom let me know- they are coming in for open house Monday morning and I can have them sign then.

Regarding other new students' transportation (Cheri asked us to verify these for you, or maybe for Andra-- I will forward this info to her as well):

- [REDACTED]: I believe the parents were going to self-transport. They haven't registered or returned phone calls to Cheri, and when I tried to call the voicemail box was full. I don't know if he'll even come.

- [REDACTED]: I remember helping mom fill out the form with an interpreter, so that was sent over with my roster last spring.

- [REDACTED]: I left a voicemail double-checking with them regarding transportation this, but haven't heard back yet; I am pretty sure they didn't want bussing, but I will verify and send a form if needed as soon as I hear back.
UPDATE: PARENTS DO NOT WANT TRANSPORTATION.

- [REDACTED]: Was in Bethanie's class last year and is adding preschool with me in the PM. Bethanie is case manager so I believe she sent a form for him with her roster last year.

- [REDACTED]: New transfer student, parents will be self-transporting.

Let me know if there's anything else you need, Brehanna
