Hello, our son has transferred to an online k12 school for the 2021-2022 school year and we would like to request a digital copy of his 504 and any related documents. We found a PDF online that we could download, but didn't see a way to submit this online. Is there an online form, or would we print out the form, fill it out, scan it, and email it back to you via this email?

Thank you!
