Dear “PRA Audit” Requester,

The district is continuing to work on your request for records submitted on November 12, 2021. We have uploaded another installment to your website today.

The DOC number on the redaction log is the number labeled on the documents that we redacted. The item number is a way for us to keep track of the items we have received from individuals and the items that we have provided to you.

Please let us know if you didn’t receive them.

We estimate having the next batch of records ready for you on December 15, 2023.

Sincerely,

Erica Rothman
