Dear "PRA Audit" Requester,

The district is continuing to work on your request for records submitted on November 12, 2021. We have another installment uploaded to your website.

I uploaded approximately 167 files to your website today. The DOC number on the redaction log is the number labeled on the documents that we redacted and the item number is just a way for us to keep track of the items we have received by individuals and the items that we have given to you.

Please let me know if you didn't receive them.

I estimate having the next batch of records ready for you on October 21, 2022.

Regards,

Kim Radek
Executive Assistant to the Superintendent
