My co-workers and I are interested in applying for the Randy Hathaway HELP program scholarships for the upcoming year. We see on the website that the application is open as of today, but the link doesn't appear to be working to access it.

Is there a different area we should be looking for this application?

Hello WSPA members,

Happy Friday! We have two member requests for you this week:

1. Laurie McGinnis - Port Townsend School District - lmcginnis@ptschools.org

We have a very cumbersome system when calculating trip sheets for bus drivers. I'm wondering what other districts do to calculate trips for their drivers. Our system takes a long time and a lot of manual figuring.

2. Tammy Scoggin, North Thurston School District - TScoggin@nthurston.k12.wa.us

North Thurston Public Schools is looking for information regarding the new WA Paid Family Medical Leave and district FMLA policies:

- 1. Do you have a policy on the Paid Family Medical Leave at your district. Would you be willing to share this information.*
- 2. What is your current district FMLA policy?*
- 3. How are you handling the new Paid Family Leave policy in conjunction with your current FMLA policy?*
- 4. Do you have a leave policy with two staff members (husband/wife) taking leave simultaneously for birth of a child?*

As always, thank you for your input and feedback. We appreciate the support and collaborative spirit of our members. Thank you!

Subject: Letter of Recommendation

Hi Jennifer,

I wanted to reach out to you to see if you would be willing to write me a letter of recommendation to apply for a scholarship for the Human Resources in Education Leadership (HELP) Program? Our application is due in January and receiving a scholarship to help with the tuition cost is a key deciding factor in being able to participate in the program.

The program is through WSPA and is a tremendous resource for people who want to further themselves in their career, specifically in working towards leadership positions. As you know it is a professional goal of mine to prepare myself in any way possible for leadership positions that may open in the Human Resources field, and I know this program would be a huge asset to me if I was able to partake.

I hope you will consider writing me a letter of recommendation, as it would mean a lot to me and would be a great addition to my application packet. 😊

Thank you,

Rachel Tallman

Jackie,

I just heard from someone that the link is not working – could you try this link at your convenience and let me know if you have any trouble? It is working on my end, so I'm not sure where the disconnect is.

Jennifer,

Yes, I think you updated my address for most WSPA emails because I have been getting emails sent to my school district email since October. (The last few were 11/1 Friday Questions, 11/4 WSPA scholarship info, 11/4 Misconduct workshop email, 11/5 Paid Family Medical Leave training email.)

The last one (aside from the Region 5 email) that was sent to my personal gmail was on Sept. 13 below, but I believe that has been corrected now. It is just the Region 5 group that needs to be updated.

Thank you for your help with this!

Hi Vivian and Janet,

I show that we have the correct email in our database – Janet, could you please let me know what messages you receive at your Gmail account? I am wondering if maybe we have your email saved in a HELP member list or other list with your personal account and not your NK schools account.

If you are receiving my emails such as member requests, etc. at the gmail account please let me know and I will dig a little deeper!

Thank you,

Jennifer

Can we move forward to at least reserve our rooms etc. so we don't lose out on staying where the conference is? Vivian and I will have rooms Sunday night paid by WSPA so we will only need Monday and Tuesday night to reserve. What are your thoughts?

Subject: WSPA Annual Conference: Save the date and registration update

Hello WSPA members,

I know how anxious everyone is to register for the 2020 Annual Conference...and it is going to be great! However, we are going through a website upgrade and I am unable to open new registrations until our data is fully migrated and the website is ready- this is in progress, but maybe another few weeks until complete and ready to launch.

My concern is that everyone is able to make their travel plans and book their accommodations in a timely manner - so I have posted that information to the website and encourage you to plan your attendance even though the option for registration is not yet live. I promise to have it up and running just as soon as I am able. I will send a message to all members when it launches. Stay tuned and save the date!
