Re: City of Salinas, California; Evidence of Self-Insurance

To Whom It May Concern:

The purpose of this letter is to provide you with information regarding the City of Salinas self-insured program.

The City of Salinas is a public agency and does not maintain traditional, privately placed insurance for its first \$1,000,000 of liability exposure, rather the City is permissibly self-insured under state statute, namely California Government Code Section 990.

Moreover, by this letter I hereby confirm that the City of Salinas is lawfully self-insured for purposes of general liability, automobile liability, and workers' compensation related to City sanctioned activities and use of premises. The City maintains excess insurance coverage over its lawful self-insured retentions and those excess policies renew July 1st of each year.

If you need additional information, please call me at: (831) 758-7065.

Sincerely,

Rhonda Combs
Assistant City Attorney
