Subject: Freedom of Information Request: mySocial Security Problems

Portal

To Whom It May Concern:

This is a request under the Freedom of Information Act. I hereby request the following records:

I would like to obtain records documenting why some individuals, and more specifically, why some Social Security Numbers are not eligible for signing up for a "mySocial Security" account online at: <https://www.ssa.gov/myaccount/>. Please search for technical manuals, memos, complaints, or internal documents detailing the process of signing up at "mySocial Security", any security measures, or blocking mechanisms that would prevent or blacklist someone or some social security numbers from signing up online. Please search from January 1, 2013 to Present Day

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 20 business days, as the statute requires.

Sincerely,

Taylor Amarel
