Kristi,

Not sure I will be able to dial in to the meeting today as Robb and I are planning a big bike ride around Madison, WI, but I did take a little time this morning to hash out a proposed approach to reviewing proposals from the RFP for the community research. The deadline is today close-of-business. So far, only Burges & Burges has responded, but I did receive a cheerful acknowledgement from Mary Tyler to the RFP I had sent her on July 1, so it is possible that she will respond, as well.

Attached is a draft scoring sheet I crafted this morning, drawing elements directly from the RFP. I wanted it to be pretty simple, but it will benefit from further review and refinement from a committee.

As to that, here are the people who have volunteered to serve:

- Roger
- Dan
- Healy
- Kyle
- Gina Sandoval

Before I officially form the committee, I wanted to run that by you. I had thought to ask Christa Agiro to serve (expecting that she might decline as she has been one of the more critical members of the Current Issues Committee), but the group is already pretty large. Would appreciate your thoughts!

Please feel free to share this very brief update at the Leadership Team meeting today. You can at least tell them that a proposal has been received and an evaluation process has been drafted...and that Dan (bless him!) has already been working on raising money!

Thanks!

~ Madeline
