Re: FEMA FOIA Case Number 2021-FEFO-00862

Dear Ms. Erin Miller:

This is the final response to your Freedom of Information Act (FOIA) request to the Department of Homeland Security (DHS), Federal Emergency Management Agency (FEMA), dated August 26, 2021 and received in this office on August 30, 2021. You are seeking emails related to the planning, funding, construction, and closure of the TCF Regional Care Center in Detroit, Michigan sent between FEMA Region 5 administrator James K. Joseph and former Michigan Department of Health and Human Services (MDHHS) Director Robert Gordon, Dr. Jenny Atas, and Elizabeth Hertel between March 1, 2020 and May 10, 2020.

We conducted a search of FEMA's Office of the Chief Information Officer (OCIO) for documents responsive to your request. We located 11 pages of email records that contain primary equities of the U.S. Army Corps of Engineers (USACE).

As such, your request is being referred to USACE for processing and direct response to you. You may contact USACE with questions about your FOIA request using the following contact information:

US Army Corps of Engineers
ATTN: CECC-C
441 G Street, NW
Washington, DC 20314-1000
foia-liaison@usace.army.mil

Please note this is not a denial of your FOIA request for FEMA's records. USACE will process your FOIA request and contact you regarding their release determination.

Sincerely,
