Dear Mr. Chairman and Mr. Vice Chairman:

This responds to your request to the Attorney General for a copy of former Assistant U.S. Attorney John Durham's investigation report (Durham Report) into the destruction of interrogation videotapes by the CIA. The Department of Justice (Department) understands and respects the Committee's important oversight role. Further, the Department is aware of the timeliness of this particular issue and has made every effort to respond accordingly.

The Department, in coordination with other Executive Branch entities, has agreed to provide the Durham Report's Executive Summary which will provide the Senate Select Committee on Intelligence (SSCI) with the information that it is seeking. The executive summary will have redactions of two types. First, grand jury material that is prohibited from being disclosed pursuant to Federal Rule of Criminal Procedure 6(e) has been redacted. Second, the Central Intelligence Agency requested that certain names be redacted in order to prevent unnecessary and inappropriate disclosure.

The Department has agreed to allow the Durham Report's Executive Summary to be viewed by the Senate Majority Leader plus one staffer, the Senate Minority Leader plus one staffer, the SSCI Chairman plus two SSCI staffers, and the SSCI Vice-Chairman plus two SSCI staffers, and all SSCI members.
