Dear Attorney Doherty:

I have received the petition of Ian Hunt-Isaak appealing the nonresponse of the Executive Office of Energy and Environmental Affairs (Office) to a request for public records. See G. L. c. 66, § 10A; see also 950 C.M.R. 32.08(1). On September 11, 2023, Mr. Hunt-Isaak requested the following records:

[1.] Emails sent or received between July 24, 2023 to August 1, 2023 (inclusive) containing any of the following [identified] search terms (with any capitalization and without quotes) ...

[2.] Emails sent to or received from [an identified] State Rep or her aides between July 24, 2023 to August 1, 2023 (inclusive)[;]

[3.] Logs of calls made or received by [an identified official] on July 24, 25th, and 26th. Including: The date and time the call occurred, call length and the phone line or aide that were then transferred or otherwise passed to [an identified official][.]

Claiming to not yet have received responsive records, Mr. Hunt-Isaak petitioned this office and this appeal, SPR23/2476, was opened as a result.

Despite being notified of the opening of this appeal, it remains unclear whether the Office has provided a response. Accordingly, the Office is ordered to provide Mr. Hunt-Isaak with a response to his request, provided in a manner consistent with this order, the Public Records Law and its Regulations within ten (10) business days. A copy of any such response must be provided to this office. It is preferable to send an electronic copy of the response to this office at
