This will serve as a supplemental response to our earlier correspondence:

In addition to the reasons cited previously:

- Exemption O of the Public Records Law provides a basis for not providing the address and phone numbers of law enforcement personnel.
- Exemption C as well as various MGL's which demonstrate that such numbers should be kept confidential and in some cases are specifically excluded from coverage under the Public Records Law, such as c 119A, s. 5A, c. 117A, s. 8, c. 62C, s. 8B, ch. 26, § 7, ALM Spec L ch. S70, § 7, SPECIAL LAWS - Chapter S70 Boston Public Health Act of 1995 and part of MGL c 93 provides a basis for not providing the Social Security Numbers of our staff.
- We will provide the year of birth without the month and date if that will satisfy your need at this time.
- Lastly, we have made it clear, we trust, that other documents you requested which we told you are not in our possession and after a diligent search we can confirm that we are certain we do not have them.
