Good afternoon Dawn.

I left a VM reference this public information request.

Any death and/or remains found within a 20 mile radius of Charlie Bell Rd. located in Cabeza Prieta National Wildlife Refuge (CPNWR) for 2016, 2017, 2018.

- Coordinates were vetted to identify those case numbers that met the criteria stipulated for each year (20 mi. radius from Charlie Bell Rd.) (see attached).
- I presume that Records will print out the reports as costs are calculated – please advise expectation.

Agreements/permits between PCSD and any humanitarian groups (No More deaths, No Mas Muertes, Agulias Del Desierto, Humane Borders, Tucson Samaritans, Los Samaritanos).

- PCSD does not maintain any agreements with any humanitarian groups to the best of my knowledge.

Thanks Dawn.

Rob.
