Good Afternoon,

I just wanted to advise you that we will be sending your information out Monday. We will have to put it on a thumb drive and mail it, the file is too large to email.

Please let me know as soon as you receive it.

Thank you,

Hello Ms. Floyd

This is an email for Mr. Sherlock, whom I just spoke with on the phone. To clarify regarding this request: We are only seeking the information requested that can be provided in a digital spreadsheet format, and that we understand there are some data points that are not maintained or cannot be released by POST.

Please contact me with any further questions.

Thank you
