March 25, 2021

Dear Ms. Silvia:

I am in receipt of your letter dated March 24, 2021, in response to my public records request dated March 11, 2021 (the "March 11 PRR"). While your letter fails to address the arguments set forth in the March 11 PRR in favor of waiving any fees incurred in connection therewith (and while I also believe the assessed fee amount is excessive), I will nonetheless pay the fee in an effort to expedite my request. You will receive such payment under separate cover, by first class U.S. mail. Please notify me upon receipt of said payment with an anticipated date, consistent with statutory requirements, by which the March 11 PRR will be fulfilled.

Sincerely,  
M. Claire Masinton
