Fees

**Request category ID** other

**Fee waiver** yes

**Explanation** Request for Fee Waiver The FOIA provides for requests of fee waiver when the disclosure of the information is in the public interest and not primarily in the commercial interest of the requester. Public Interest: 1. The subject concerns the operations or activities of the U.S. Government, because it seeks records related to the federal government's decision to certify the employment of foreign workers by Trump Winery, a winery controlled by the President of the United States and his associates. 2. The disclosure is likely to contribute to the public understanding about the operations and activities of the U.S. Government, because it will show how the federal government treats businesses in which the President of the United States has a personal financial interest. 3. The disclosure will contribute significantly to the public understanding, because it will allow the public to compare records generated before Donald Trump became the President of the United States and after he became the President of the United States. No Commercial Interest: 1. I have no commercial interest in this request. 2. The public interest outweighs the commercial interest because I have no commercial interest in this request.

Re: **FOIA REQUEST NUMBER 870626**

Dear Ms. Miller,

In response to my FOIA Request 870626, I received a CD with encrypted documents. I also received a separate letter with a password. However, when I enter the password, I am consistently told that the password is not correct. What should I do?

Many thanks,

Nick Marritz

P.S.: My sympathies to you and your colleagues during the shutdown.
