Requested Documents: Hello, 1. Why are you sending me these records in response to my 11-05-2021 Public Records request? 2. After review of records provided in response to my 11-05-21 public records requests, it appears as if I was charged fees for printing and scanning of electronic documents. I did not request this. I asked for a breakout of fees and I did not receive one. I need a refund of all fees paid on this request where electronic records were printed and scanned and applied fees. Attached are examples of some of these records. 2. Please provide a detailed record of how every penny of fees were applied to responsive documents in this request. If your agency is going to charge fees you are going to be required to explain and justify every cent under the law.
