Dear Mr. Huminski:

This letter will serve to respond to your public records request for the following documents:

“In addition to the 20th Circuit State's Attorney, this request also requests the same documentation for the Florida Attorney General that litigated the case on appeal before the 2nd District Court of Appeals. Appeal- Huminski v. State, 2d19-1914, Florida 2 DCA, author: Chelsea N. Simms, esq, Ashley Moody, esq. See below, Pursuant to the Florida Sunshine Law please supply;

- 1. The document authored by your office or any other State prosecutorial authority (executive branch official) commencing the case State of Florida v. Huminski, 17-mm-815, Lee County Court including the criminal information, indictment or any other document used to commence the case and secure standing by the State as a plaintiff,**
- 2. The proof of service of the document in Para. 1 that was effectuated by a State of Florida prosecutorial authority (not a show cause order served by the judicial branch in a civil matter),**
- 3. Any document related to the prosecution that contains a criminal statute that supports a criminal prosecution by the sovereign (not F.S. 900.04 which simply governs the conduct of a judge to exercise contempt powers).**
- 4. In the absence of any of the above documents, please supply any document, recording, emails, letters, invoices, financial records, medical records, employment files, police reports, photographs, text messages, and any other relevant documents/materials concerning the initiation of State v. Huminski that are in your possession. These records should include any**

materials related to the docketing of State v. Huminski, 17-mm-815, Lee County Court on 6/30/2017. Absent any valid document production concerning Paras. 1, 2, 3, it is likely that crimes were committed by various persons working at the Lee Court complex to accomplish the docketing of the case in Lee County Court including clerks, judicial assistants and others. Judge James Adams, the presiding County Court judge in State v. Huminski was admonished for case hijacking other cases. YORLAN ESPINOSA PENA v. STATE OF FLORIDA, 17- 4465 (Fla. Dist. Ct. App. 2018) <https://www.courtlistener.com/opinion/4552265/yorlan-espinosa-pena-v-state-of-florida/> Cooperation between many courthouse employees is required for behind-the-scenes court document manipulation. The time frame in the Pena case and State v. Huminski is similar.”

By email dated January 8, 2025, you amended your request to the following:

“THIS REQUEST HAS BEEN REDUCED TO DOCUMENTS AUTHORED AND FILED BY A STATE PROSECUTORIAL AUTHORITY (EXECUTIVE BRANCH) IN THE MONTHS OF JUNE 2017 AND JULY 2017. State v. Huminski, 17-MM-815, was "arraigned" on 6/29/2017 and docketed on 6/30/2017 thus if any responsive documents exist, traditionally, they would have been filed in June 2017 to comply with rudimentary Due Process and case law authority set forth previously in this request.”

This office does not have any documents responsive to your amended request.

Thank you for the opportunity to assist you in this matter. Please contact me if you have any questions.

Sincerely,

s/ Greg Slempp
