

(The AEGIS Alliance) – LEE COUNTY, FLORIDA – Two types of courts exist in Lee County, Florida, Circuit Court and County Court, and this is a report about the crime of Forgery and Official Misconduct. Both of those charges are 3rd-degree felonies and are used to bounce cases between these two courts by a State Attorney to shop for the best judges and courts for cases. Judge shopping is a common allegation in the legal world, in Lee County, Florida they push judge shopping to a higher level of corruption, Court shopping. It is difficult and can only be accomplished with an official crime. Now the UN-elected [Sheriff, Carmine Marceno](#) is neck-deep in these serious government crimes.

Scott Huminski, the founder and leader of the anti-Police State rock band, [Scott X and the Constitution Commandos](#) began receiving death threats from Maricopa County, Arizona in 2013 through 2017. When Huminski began reporting the crime to [Sheriff Mike Scott](#), instead of enforcing the law, [Mike Scott](#) chose to silence Huminski and deny him law enforcement and public safety services in Lee County to this pesky activist. So [he then obtained a gag order to silence Huminski \(PDF\)](#). Henceforth all communication with the sheriff or any of his staff became a crime of contempt.

IN THE CIRCUIT COURT OF THE TWENTIETH JUDICIAL CIRCUIT IN AND FOR
LEE COUNTY, FLORIDA CIVIL ACTION

SCOTT HUMINSKI,

Plaintiff,

v.

CASE NO. 17-CA-000421

TOWN OF GILBERT, AZ, et al.

Defendants.

**DEFENDANT MIKE SCOTT'S MOTION TO PROHIBIT PLAINTIFF FROM DIRECTLY
CONTACTING, COMMUNICATING WITH, OR OTHERWISE
SERVING MATERIALS DIRECTLY UPON
SHERIFF MIKE SCOTT, HIS AGENTS, SERVANTS AND EMPLOYEES**

Defendant, MIKE SCOTT, individually and as Sheriff Lee County, Florida, hereby
files his Motion to prohibit Plaintiff from Directly Contacting, Communicating With, or
Otherwise Serving Materials Directly upon SHERIFF MIKE SCOTT, his Agents

Upon receipt of another death threat in 2017, Huminski reported it to the sheriff as any ordinary citizen would, and the Sheriff had his crony State Attorney Amira Fox prosecute Huminski. For a critic of the police state, reporting a crime is a crime, Contempt of Court.

Things went wrong for Amira Fox because the Court and judge she chose for the case, Judge Elizabeth Krier, a Circuit Court judge, recused herself from the case because of extreme conflict of interest. The new judge on the case was Chief Circuit Judge Michael McHugh who does not have the same propensity to ignore the rule of law that made Judge Krier the perfect choice for Amira Fox. Although Circuit Judge McHugh knew of the dirty details of this case, he didn't wish to participate and was happy to look on from the sidelines while the corruption transpired.

Amira Fox hatched a scheme to get a contempt of court case before a judge and a Court whereby it would be guaranteed that activist Huminski would be convicted by a Judge that would be willing to

ignore the Statutes and Constitution, Florida Contempt Rule 3.840 and the federal right to counsel and a jury trial mandated by the Bill of Rights as well as Florida Rule 3.840. See Rule 3.840.

<https://casetext.com/rule/florida-court-rules/florida-rules-of-criminal-procedure/criminal-contempt/rule-3840-indirect-criminal-contempt>

Now State Attorney Amira Fox had to get creative, she didn't want the Contempt Case in 17-CA-421 to be heard by Chief Circuit Judge Michael McHugh because he tends to obey the Rule of Law and he is not quite as prone to corruption.

Fox needed a solution – FORGERY

On June 30, 2017, Amira Fox printed out a court order from the **20th Circuit Court**, case 17-CA-421 dated June 6, 2017. See page 1 of the June 6 order with the correct time stamp and the correct docket number that Amira Fox printed out on June 30, 2017. Page 1 of order. All legitimate and proper.

<https://theaegisalliance.com/wp-content/uploads/page-1-of-6-5-order-prior-to-service.pdf>

Still on June 30, Amira Fox then, with the printed-out June 6 order in front of her, hand-modified the order by pen (hand-written) with a newly generated **Lee County Court** docket number, 17-MM-815 which she created behind the back of Judge Krier, without a new signature from Judge Krier.. See Page 1 of the forgery of Amira Fox manufactured on June 30 with a new handwritten docket number and a double time stamp on the top of the paper indicating that the order is a forgery and not an original order authored and signed by a judge. Page 1 or Order. <https://theaegisalliance.com/wp-content/uploads/page-1-of-forgery.pdf> The handwriting on the forgery is now ripe for analysis by the Carmine Marceno's Lee County Sheriff Office for felony forgery and felony official misconduct charges.

With a new Docket Number and a fresh forgery of a court order that Amira Fox manufactured (behind the back of Judge Krier, without a new signature from Judge Krier), Fox was ready to prosecute a case against Scott Huminski in another court, a second court, a double jeopardy violation.

The cunning State's Attorney, Amira Fox, then took this forgery to the clerk of court, told them that this was an order from a judge when it was actually a forgery manufactured by Amira Fox that same day. She then filed it as a charging document initiating a new criminal case in a completely different Court, Lee County Court, with a forged hand-written docket number, 17-MM-815, with a "lifted" old judicial signature and made sure the case was assigned to Judge James Adams.

Amira Fox knew Judge James Adams would have no problem with the forgery, and a judge that he had been caught by the Second District Court of Appeal in Lakeland, Florida in case Pena v. State and Judge James Adams had been reprimanded by the Florida Supreme Court for sexual misconduct with an attorney appearing before him in exchange for great results in court for the sexually abused attorney. Case hijacking was right in Judge James Adams' comfort zone. Anything goes.

<https://www.courtlistener.com/opinion/4552265/yorlan-espinoza-pena-v-state-of-florida/>

<https://casetext.com/case/in-re-adams-61>

Judge Adams' history of hijacking cases from other courts/judges made him the perfect judge to accept Amira Fox's forgery and to work with Fox to convict at all costs, which turned out to include stripping Huminski of defense counsel and the right to a jury trial mandated by the Bill of Rights and Florida Rule 3.840.

<https://casetext.com/rule/florida-court-rules/florida-rules-of-criminal-procedure/criminal-contempt/rule-3840-indirect-criminal-contempt>

Now Fox had everything set up for conviction based upon her forgery. There was just one problem though, because of the forgery of Judge Krier's signature and the back channels used in the dark recesses of the Lee Courthouse, Huminski was never served with the forgery. There existed no valid case against Scott Huminski, because, unfortunately for State Attorney Amira Fox, judicial signatures cannot be recycled and reused like clothing at a Goodwill store, they must be authentic originals. See Docket sheet from the case initiated with a forgery, Lee County Court, 17-MM-815, NO SERVICE. See Docket

<https://judgeelizabethvkrierleecountyflcorruption.files.wordpress.com/2017/06/criminal-case-docket-6-30-2017.pdf>

Fundamental Due Process in the United States requires a Court to have personal and subject matter jurisdiction over a cause to proceed. Maybe Fox was just too embarrassed about the forgery or that the courthouse gymnastics used to get the forgery filed in a new court just caused her to forget to serve the document ... she was just too busy manufacturing and filing the forgery. The result of a lack of service is a court has no personal jurisdiction over a defendant equating to no legal case at all. The case is void. Docket without service.

EPILOGUE

The acts of moral turpitude in this little corrupt corner of southwest Florida have extended to a Tampa appellate court and to the Florida Supreme Court. Anything goes for a bloodthirsty prosecutor out for a pound of flesh despite the burden on courts throughout the State of Florida foisted upon them by a corrupt prosecutor and judge that rubber-stamps prosecutorial misconduct and constitutional violations. This is judicial and prosecutorial misconduct that is prejudicial to the administration of justice. Judge Adams and Fox make an interesting crime-fighting, or, more properly, crime-perpetrating duo.

First of all, the June 5, 2017 signature of a judge cannot be lifted off one document, affixed to another document, and then held out by prosecutor Amira Fox as an order authored by a judge and valid to initiate a new case in a new court on June 30, 2017. The signature of Judge Krier in Circuit Court case, 17-ca-421 is just that, a judicial signature valid only on one document, in one court, Circuit Court, and in one case 17-ca-421.

As a criminal prosecutor one would think Amira Fox would at least be better at forgery than simply lifting a judicial signature to forge a court order. The forgery of June 30, 2017, retains the signature of Judge Krier from June 5, and the date of signing is June 5 even though this manufactured order was created on June 30. The forgery of June 30 was hand modified by Amira Fox with a new docket and case number.

Amira Fox should have at least removed the June 5 courthouse date and time stamp from the filing in the Circuit Court on June 30 while she was manufacturing the order to create a more credible new County Court order.

6/30/2017 4:52 PM Filed Lee County Clerk of Courts
6/5/2017 1:56 PM Filed Lee County Clerk of Court

The June 30 **County Court** forgery still contains the court date and time stamp from June 5 when it was legally filed in **Circuit Court**, but, Amira Fox correctly calculated that her chances of success in the Circuit Court were no longer good without Judge Krier who recused from the case. The forgery was manufactured not only for the purpose of judge shopping, but Amira Fox also engaged in the forgery for Court shopping. If the case stayed in Circuit Court where it was properly initiated, there would be no need for a forged court order. She desperately wished the case to be in County Court with Judge Adams who was known for case hijacking and constitutional deprivations.

The forgery by Amira Fox was accompanied by assistance from the Clerk of Courts, Linda Doggett, who falsified court records by back-

dating and docketing the forgery to almost a month earlier to make it appear more legitimate on court docket sheets. Amira Fox and the clerk also falsified the "offense date" on court docket sheets in Lee County Court, [17-mm-815 docket sheet](#). The true "offense date" is April 26, 2017, not June 5, 2017, as lied to by the Clerk of Courts on court docket sheets that Linda Doggett, in 2019, certified as authentic to the 2nd District Court of Appeal in Lakeland, Florida. See the very first order of April 26, 2017 memorializing the true and correct offense date on or before April 26, 2017. [True order and correct offense date](#). Unlike the felony Official Misconduct, F.S. 838.022, forgery of Fox and Doggett, this court order is the true and authentic 119 pages long, not the 3 page length of the Amira Fox forgery.

<https://judgeelizabethvkrierleecountyflcorruption.files.wordpress.com/2017/06/krier-show-cause-order-4-26.pdf>

This is felony Official Misconduct related to the docket sheet and the mysterious disappearance of 116 pages from the court order is further evidence of sloppy forgery and felony Official Misconduct related to the felony forgery .

The clerk's back-dating and false "offense date" are felony Official Misconduct related to the docket sheet. In fact, the filing date of the forgery of June 30, 2017, even though stamped on the forgery by the Clerk, appears nowhere on any court docket sheet in any related case at the Lee Courthouse complex. Detailed descriptions, copies of court papers, government documents and other evidence were forwarded to Sheriff Carmine Marceno and are at [the Sunshine Law document request at Muckrock.com](#) alerting Sheriff Carmine Marceno of the rampant crime flourishing in the Lee Court Complex. What has Sheriff Carmine Marceno done subsequent to his knowledge of these crimes – cover them up and hope nobody notices.

THE AFTERMATH

Now, the new UN-elected [sheriff, Carmine Marceno](#), appointed by former Governor Rick Scott at the insistence of former sheriff Mike Scott who has received a formal complaint of the courthouse forgery via a muckrock.com Sunshine Law request is happy to be part of the cover-up in this courthouse crime. He is now actively participating in the cover-up.

Forgery and Official Misconduct are third-degree felonies as described in Florida Statutes Section 831.01 and 838.022 and carry a penalty of up to five years in prison, up to five years of probation, and up to a \$5,000 fine. The statute of limitations for cases against government employees [extends for three years after the government employee leaves office](#). The statute of limitations will still hold for three years after Amira Fox, Linda Doggett and Carmine Marceno leave their offices.

[Sheriff Carmine Marceno](#) continued on with Mike Scott's crime of embracing a gag order against Huminski if Huminski reported a crime. Reporting crime is a crime in Mike Scott's and now Carmine Marceno's world. The gag order is still in effect barring Huminski's communication with anyone working under Marceno, including his staff who are always present at the courthouse as bailiffs and security. And, now, there's the forgery and official misconduct Marceno knows about and is covering up.

Amira Fox was prosecuting Huminski for reporting a crime to Sheriff Mike Scott, the crime of death threats Huminski was getting from Maricopa County, Arizona. For an activist like Scott Huminski that the government wishes to silence, reporting a crime is a crime and the First Amendment is cast aside. Now close allies, [Sheriff Carmine Marceno](#) and State Attorney Amira Fox are truly partners in crime.

Ironically, tragically and notoriously, the court shopping scheme of Amira Fox via the use of forgery and Official Misconduct was invalidated by a 2019 order of a Tampa appellate court, the Second District Court of Appeal, in Huminski v. State, 2D19-1247. See ruling finding that the offense Huminski was charged with, contempt of court, can only be heard by the court where it occurred

invalidating the criminal antics of Amira Fox and her cohorts in the Lee County Court for a 20th Circuit Court contempt matter, yet, Huminski stands convicted and was imprisoned. Ruling 2D17-1247. This ruling is patently consistent with logic, the charge was contempt of court, not contempt of every and any court. Illegally adjudicating alleged Circuit Court contempt in County Courts is corruption unique to only southwest Florida, the remainder of the State operates legally, however, the official crimes impact Tampa area courts and the Florida Supreme Court as this level of corruption is hard to contain.

The FORGERY

First of all, the June 5, 2017 signature of a judge cannot be lifted off one document, affixed to another document, and then held out by prosecutor Amira Fox as an order authored by a judge and valid to initiate a new case in a new court on June 30, 2017. The signature of Judge Krier in Circuit Court case, 17-ca-421 is just that, a judicial signature valid only on one document, in one court, Circuit Court, and in one case 17-ca-421.

Amira Fox and the clerk also falsified the "offense date" on court docket sheets in Lee County Court, [17-mm-815 \(PDF\)](#). The true "offense date" is April 26, 2017, not June 5, 2017, as lied to by the Clerk of Courts***.*** on court docket sheets that Linda Doggett, in 2019, certified as authentic to the **** Second District Court of Appeal in Lakeland, Florida. The forgery and corruption began tainting other areas of Florida. Lakeland is in the Tampa area. *** add a link to the docket sheet again in above paragraph somewhere. [See Docket](#)****

The clerks back-dating and false "offense date" are felony Official Misconduct related to the docket sheet. In fact, the filing date of the forgery of June 30, 2017, even though stamped on the forgery by the Clerk, appears nowhere on any court docket sheet in any related case at the Lee Courthouse complex. Detailed descriptions,

*copies of court paper***s***, government documents and other evidence are at [the Sunshine Law document request at Muckrock.com](http://theSunshineLaw.com) alerting Sheriff Carmine Marceno of the rampant crime flourishing in the Lee Court Complex.
the aftermath*

*Now, the new UN-elected sheriff, Carmine Marceno, appointed by former Governor Rick Scott at the insistence of former sheriff Mike Scott,*** who has received a formal complaint of the felony courthouse forgery and *** felony official misconduct*** is happy to be part of the cover-up in ***these courthouse crimes***. He is now actively participating in the cover-up.*

Ironically, tragically and notoriously, the court shopping scheme of Amira Fox via the use of forgery was invalidated by a 2019 order of a Tampa appellate court, the Second District Court of Appeal, in Huminski v. State, 2D19-1247. See ruling finding that the offense Huminski was charged with, contempt of court, can only be heard by the court where it occurred invalidating the criminal antics of Amira Fox and her cohorts in the Lee County Court for a 20th Circuit Court contempt matter, yet, Huminski stands convicted and was imprisoned. Ruling This ruling is patently consistent with logic, the charge was contempt of court, not contempt of every and any court. Illegally adjudicating alleged Circuit Court contempt in County Courts is corruption unique to only southwest Florida, the remainder of the State operates legally.
