

To Whom It May Concern:

Pursuant to the Pennsylvania Right to Know Act, I hereby request the following records:

Any electronic or written communications with vendors specializing in "AI" or "Artificial Intelligence" technology, dated from January 1st, 2018 to the present day. This can include (but should not be limited to) communications detailing capabilities, purchase agreements, letters of intent, etc.

As an example to assist with -- but not limit -- your search, SEPTA has announced partnerships and pilot programs with several "AI" vendors:

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 5 business days, as the statute requires.

Sincerely,

Sharp Hall
