Subject: Freedom of Information Act Request: Public Confidence Inquiry

Portal

To Whom It May Concern:

Pursuant to the Freedom of Information Act, I hereby request the following records:

For the years 2014-2017 please provide the number of calls received to the FBI TIP Line Phone Number: 1-800-CALL-FBI (225-5324)

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 20 business days, as the statute requires.

Sincerely,

William Fernandes

Process Description (Will display the current progress of the request)

The FBI's FOIPA Program is searching the FBI's indices for potentially responsive documents.

You may be contacted via formal letter for all fees and/or negotiation issues that may apply.

NOTE: Recent requests are entered into the FOIPA database in the order that they are received. Before you can check the status, you must have received correspondence assigning a FOIPA request number and the information transferred to the online database. Status information is updated weekly. If a request has been closed within the last six months the online database will display the following: The FOIPA number entered has been closed, and appropriate correspondence has been sent to the address on file.

#### Estimated Dates of Completion

Requests are processed in the order in which they are received through our multi-track processing system. Requests are divided into two primary tracks-- simple (under 50 pages of potentially responsive documents) and complex (over 50 pages of potentially responsive documents). Complex requests are further divided into medium, large, and extra-large sub-tracks based upon request size. Simple track requests typically require the least amount of time to process. Currently, simple track cases average approximately 134 days from the date of receipt for processing. Our complex requests in the medium processing track are currently averaging 523 days, large processing track are currently averaging approximately 1,335 days, and extra-large processing track are currently averaging 1,875 days for processing.
